**DEAR MR. TABOR,**

This letter is concerning the original home inspection our company did on your home on January 31, 2019, at 58 Stonehenge. An inspection report was provided for you with an itemized list of issues and concerns, as well as pictures, of things that needed repair or replacement. On this day, July 1, 2019, I returned to the above-mentioned address to re-inspect the final items from the inspection report, that were to have been repaired or replaced. All items from the inspection report have had repairs made except for the cooktop downdraft and rear window in sunroom is still fogged. All items appear to be in serviceable condition.

Thank you for your business and if you have any further questions or concerns, please feel free to contact us.

Sincerely,

*Southern Home Inspections*
